France vs German 1	Germany and France are both very popular destinations for expats across the globe. Germany, with its booming economy and well-developed infrastructure, has a foreign population of 11.82 million (2021). France on the other hand, with its beautiful scenery and unique history, offers a far more relaxing lifestyle and is a popular choice with Britons especially. If you're thinking of moving to France or Germany, it is worth considering the different factors that can influence your choice. Moving to any country requires detailed research and careful planning, which is why we're here to help. Read our blog to discover whether France or Germany is the better country choice for you. Southgate questions England could beat France	WHAT HAPPENED? A day that is still painful for fans of the Three Lions to recall, Southgate has opened up and reflected on being in the quarter-final in Qatar, and suggested his players lacked the belief to win the game before it started. WHAT THEY SAID: "The performance against France has shown the players if they didn't believe it before, which I still wonder whether they truly believed that before the game, but coming off the field they know that is a game they could win and should have won."
